MONDAYS „Hike in the valley“

SATURDAYS „Panoramatour 2000“

SUNDAYS „E-Bike + Hike“

This leisurely tour takes us through meadows and forests. We don't climb much in altitude - so this tour is suitable for all age groups and fitness levels.

This moderately difficult tour (red, T3) takes us to over 2000m - beyond the tree line - where marmots whistle and bizarre rock kisses gentle alpine meadows. Possibly with a summit (**no climbing, no risk of falling**)

The most beautiful places are often difficult to reach on foot. The e-bike is a great help to us here. With little effort we can cover most of the way so that we have full power for the short hike!
