MONDAYS „Hike in the valley“

SATURDAYS „Panoramatour 1500“

SUNDAYS „Toboggan Workshop“

This leisurely tour takes us through meadows and forests. We don't climb much in altitude - so this tour is suitable for all age groups and fitness levels.

This quiet tour takes us to over 1500m sea level (approx. 450 HM) – possibly to the edge of the forest – with a wonderful panoramic view of the picturesque winter scenery – that's what a winter holiday in the Seefeld region should be like!

Do you want to get the most out of the toboggan and the track? I'll explain to you on the toboggan run and at the alpine hut how to use the equipment efficiently so that you can toboggan safer, faster and stop faster for maximum fun!

Meeting point: is told at registration.
